

## Minimal power consumption, maximum performance

It's called the Advanced Hand Dryer for good reason...With a drying time of just nine seconds, it's as fast as they come. But you won't have to pay more for top speed; the TEK FLO Advanced helps reduce your energy consumption and your carbon footprint. It's not just more powerful and more energy-efficient; it's quieter too – the Advanced Hand Dryer operates at just 75 dB. The Advanced name extends to the design as well; this is a chic, streamlined dryer. Just because it's a utilitarian item, it doesn't have to look like one. All of this means it's the perfect choice for high traffic washrooms, including restaurants, schools, nightclubs, bars, airports, service stations, hotels, large offices, hospitals, gyms, cinema and shopping centres. TEK FLO gives you Advanced performance at a price to suit a mid-range budget.

### Product Features:

- Its contemporary, sleek, ergonomic design makes this an exceptionally stylish dryer
- Heavy duty Stainless Steel casing gives excellent ongoing protection against corrosion and vandalism
- The automatic 'no touch' operation ensures impeccable hygiene
- Users enjoy an ultra-fast drying time of just nine seconds!
- Maximum output comes at minimal power consumption to help reduce carbon footprint
- No unnecessary energy wastage thanks to the automatic cut-off
- Reduced noise levels make this one of the quietest and most discrete dryers in any class
- High brightness blue LED light indicator clearly indicates the drying zone ensuring ease and effectiveness of use
- Easy to install and maintain
- Finishes available in Brushed Metal, Polished Chrome and Arctic White

### Technical Specifications:

- Shell material: 304 Stainless Steel
- Standard finishes: Brushed Metal, Chrome, White
- Rated voltage: AC 220-240V
- Rated frequency: 50 / 60 Hz
- Rated Power: 1,600W
- Installation: wall mounted
- Drying time: 9 Seconds
- Air speed: 85 M/s
- Noise output: 75dB
- Operation: infrared automatic 'no touch'
- Timing protection: 60 seconds auto cut off
- Thermal protection: cut off above 70C
- Drip Proof: IPX1
- Unit dimensions: 278mm W x 325mm H x 172mm D
- Net weight: 6.0 kg
- Warranty: 2 Years
- Certification: CE, RoHS
- Package contents: hand dryer, installation accessories and user manual
