

High speed drying with a **sense of style.**

When it comes to high-speed drying with real style, the TEKFL0 Advanced makes a bold statement in any washroom, combining fast drying power with classy looks in a sleek, individual shell.

Like all TEKFL0 models, the Advanced is highly-spec'd with automatic operation, a powerful motor and a robust all-metal case. With an eco-conscious 1,600W total power rating, the Advanced blasts air through a single nozzle and can dry hands in just 9 seconds. Bringing a sense of style to any high-traffic washroom environments, the Advanced is the perfect dryer for nightclubs, bars, airports, gyms and shopping centres.

Product Features

- Its contemporary, sleek, ergonomic design makes this an exceptionally stylish dryer
- Heavy duty Stainless Steel casing gives excellent ongoing protection against corrosion and vandalism
- The automatic 'no touch' operation ensures impeccable hygiene
- Users enjoy an ultra-fast drying time of just nine seconds!
- Maximum output comes at minimal power consumption to help reduce carbon footprint
- No unnecessary energy wastage thanks to the automatic cut-off
- Reduced noise levels make this one of the quietest and most discrete dryers in any class
- High brightness blue LED light indicator clearly indicates the drying zone ensuring ease and effectiveness of use
- Easy to install and maintain
- Finishes available in Brushed Metal, Polished Chrome and Arctic White
